We're in a meet-ing!
If you don't belong here, you should get out!!
C'mon, Fuji-wara-san!!
HAH
What's all this noise?
Sensei.

...Kura-shiki-san.
I'm sorry, but...
we can't talk right now.
Could you wait in the classroom till I'm done?

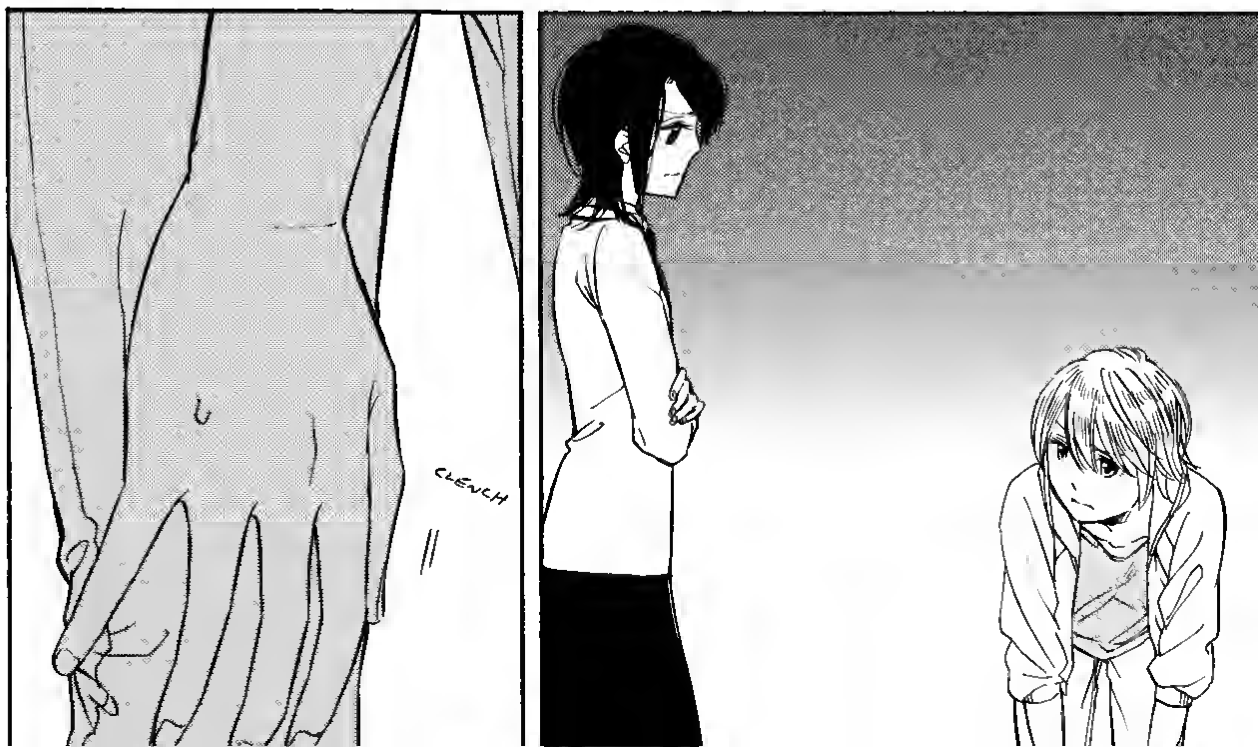
Out here, we won't bother anyone.

We aren't friends, right?
You said, you don't know me anymore.

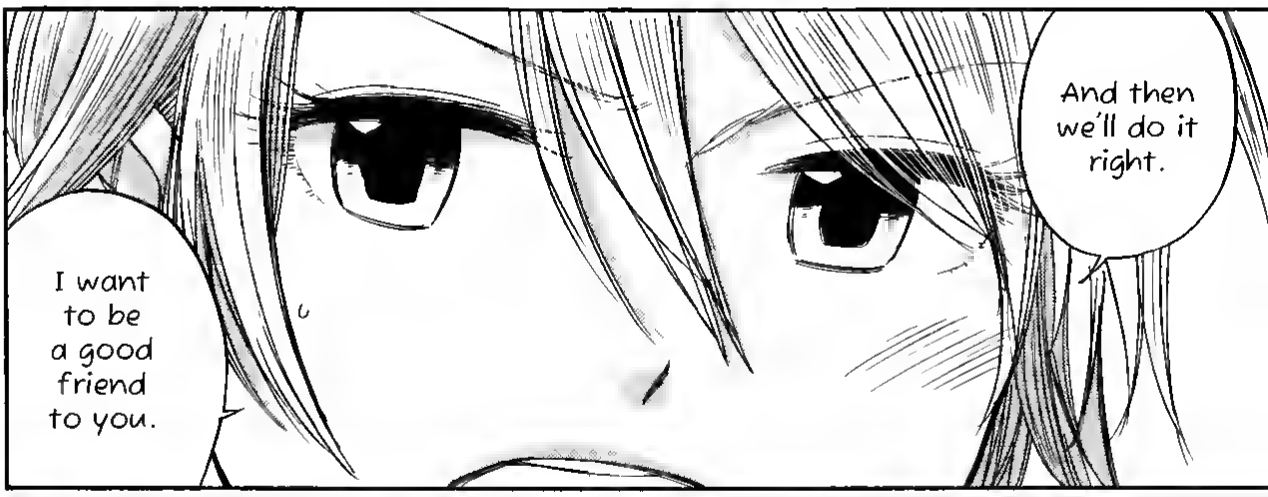
So, what is it?



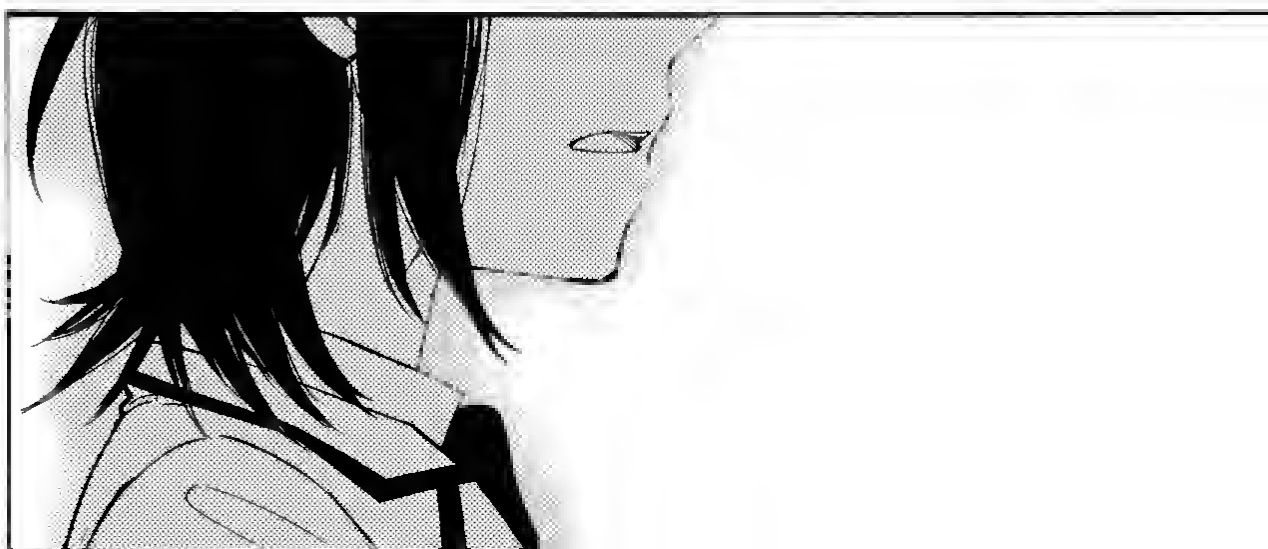
CLENCH

exhale
inhale
You see, we...
We started off wrong.

Can't we become friends again?



And then we'll do it right.
I want to be a good friend to you.



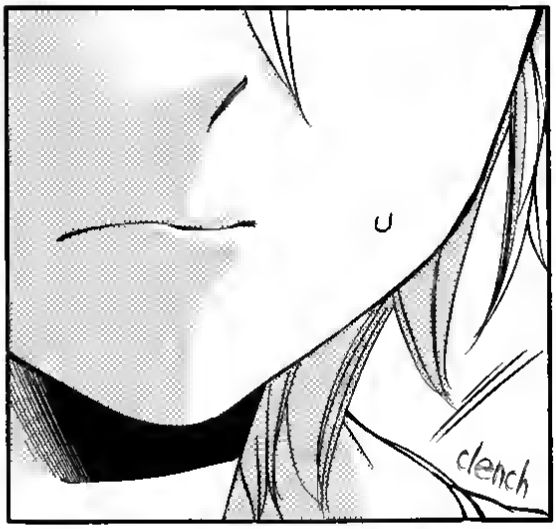
...What
are you saying?

You still
wanna pretend to be friends?

Huh?! I've never even thought of using you!
Liar.

I know you were just using me.
But now you still want to hang out with me?

Because you thought I was using you.



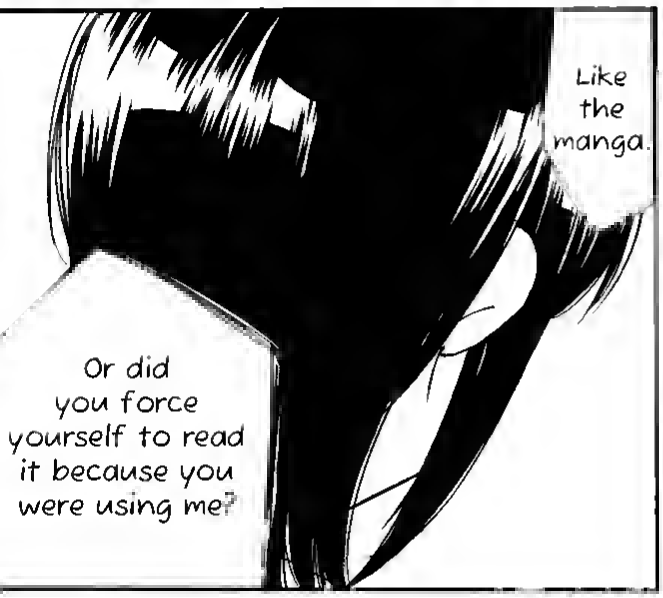
clench

You didn't say anything back to me that time...!
!

!!
...Hm?
I WAS TOO SCARED TO ASK!!

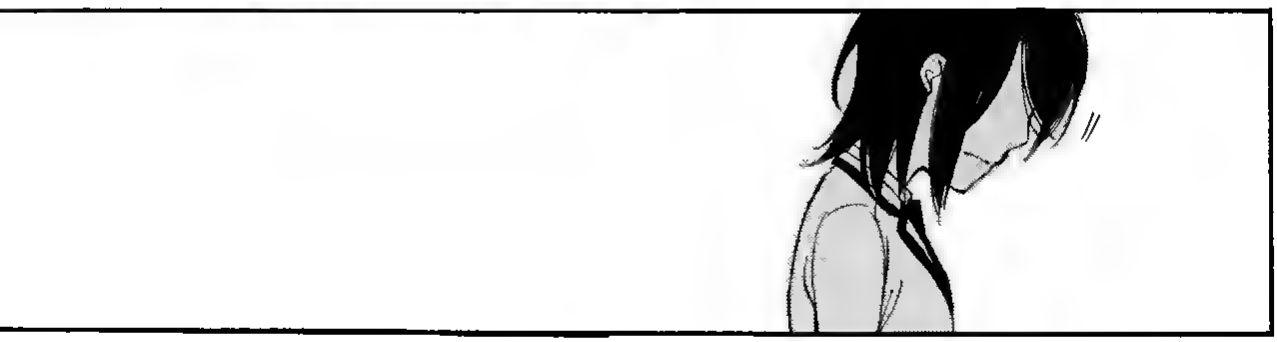
Until you, no one has ever approached me!
Gh!!
And it was an honor student from a distin-guished family, even!
I was afraid you were hiding some-thing, so I couldn't ask!!
You have to voice your feelings and your reasons!
IF YOU DON'T, I'M NOT GOING TO KNOW!!

Hey
Hey



Like the manga.
Or did you force yourself to read it because you were using me?

...Didn't you have fun with me?

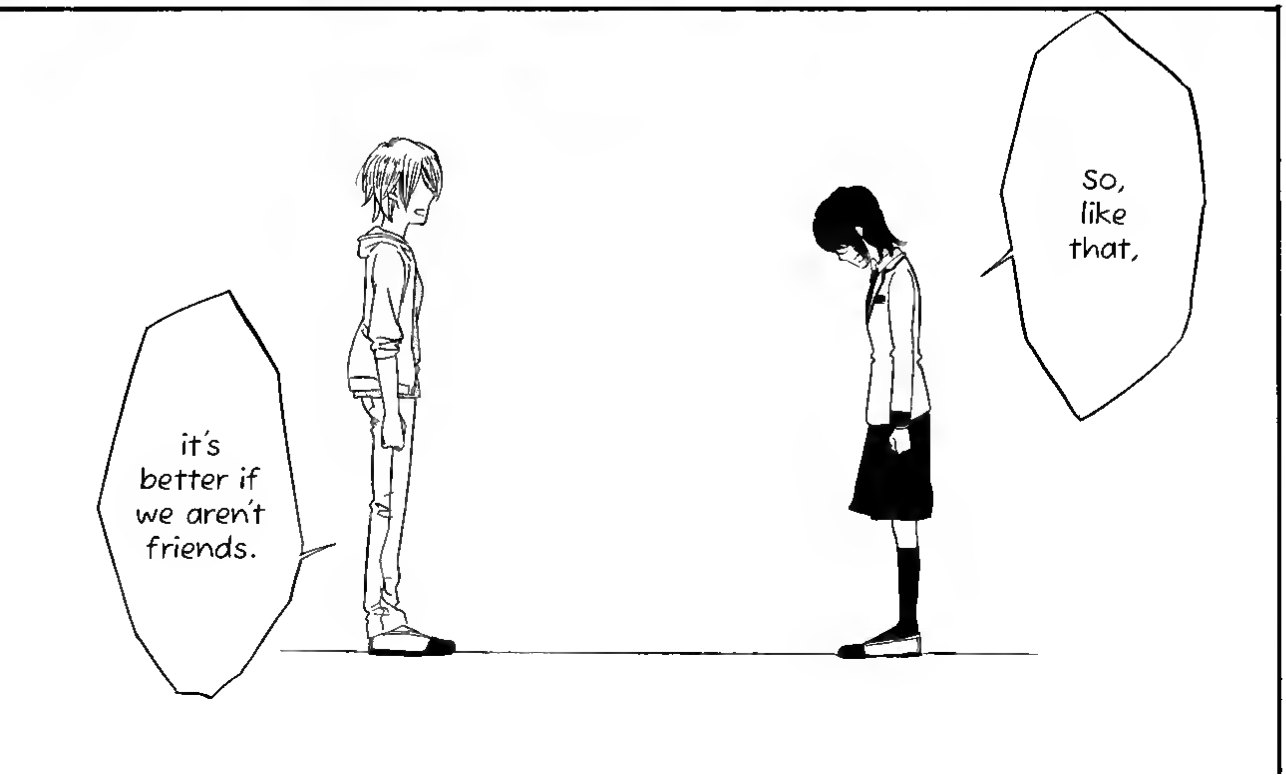


...No.
Of course I wasn't using you!!

I wanted to be with you because you treated me like an equal!
Ha ...!!
In that case—
It's... It's tough for me, too, you know!!
I really enjoyed being with you because you ignored my status!
BUT IT'S IMPOSSI-BLE!!

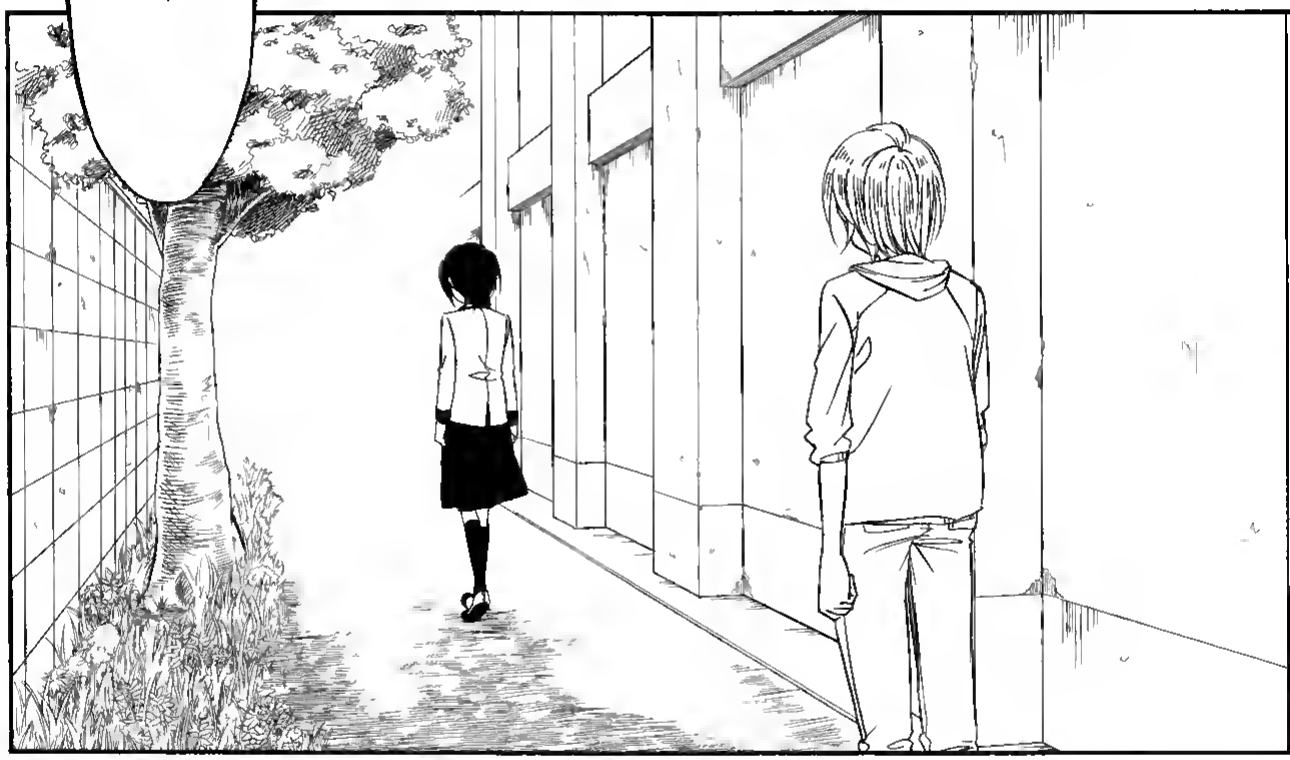
You might leave me at any time, and I'd be all alone again!

And, you actually WERE conscious of my family!!

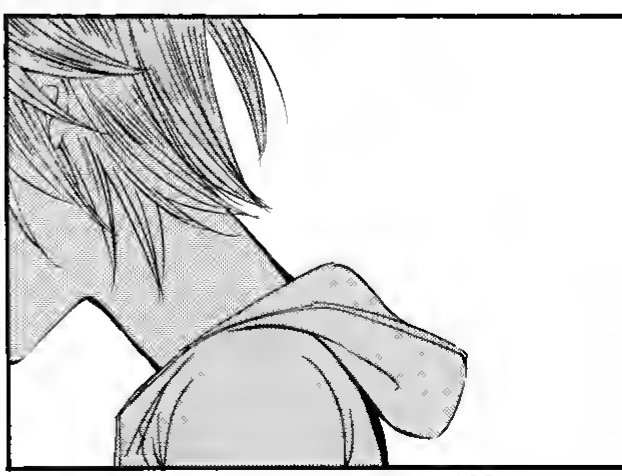


So, like that,
it's better if we aren't friends.

...In the end, all we had going was that you showed me manga.

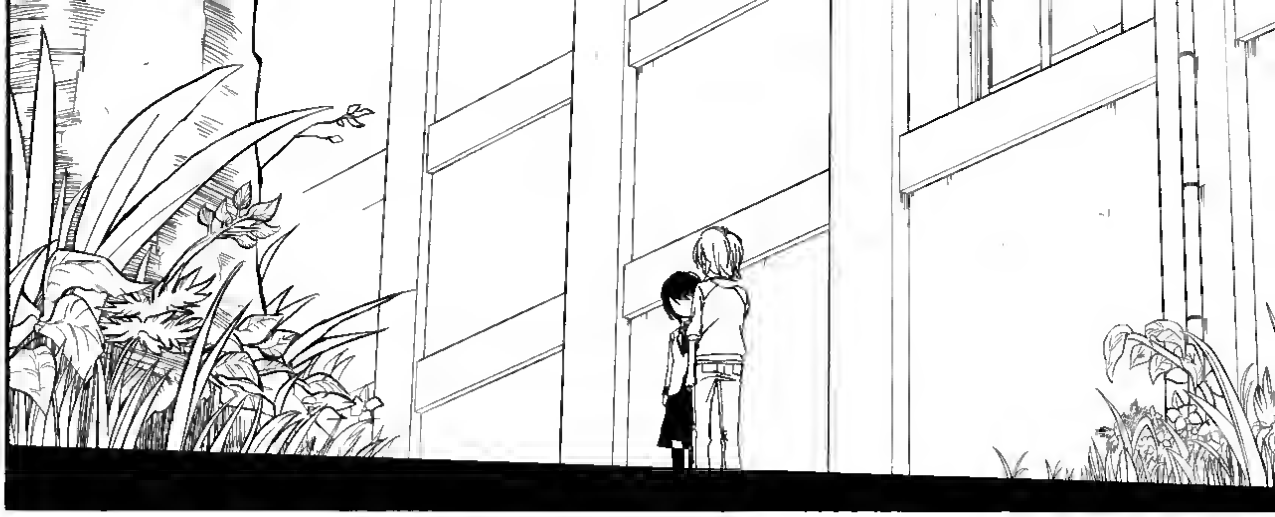


...Bye.



DON'T GO OFF DECIDING THAT BY YOUR-SELF!!
It was just about manga?!
We did so much more together!!

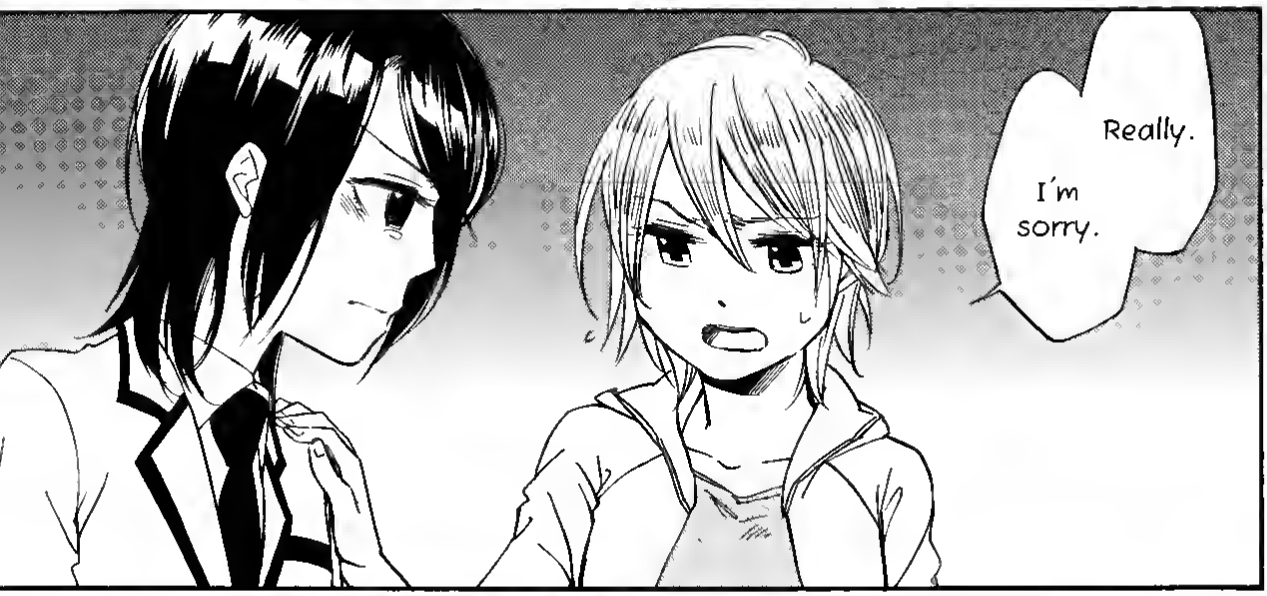
Forget about using each other, social standing and courtesy!!
I LIKE YOU!!
I WANT TO BE WITH YOU!! AND THAT'S THAT!!
GOT A PROBLEM WITH THAT, YOU IDIOT?!



...Geez.

You're the only person who calls me an idiot.
Ah...
Sorry.

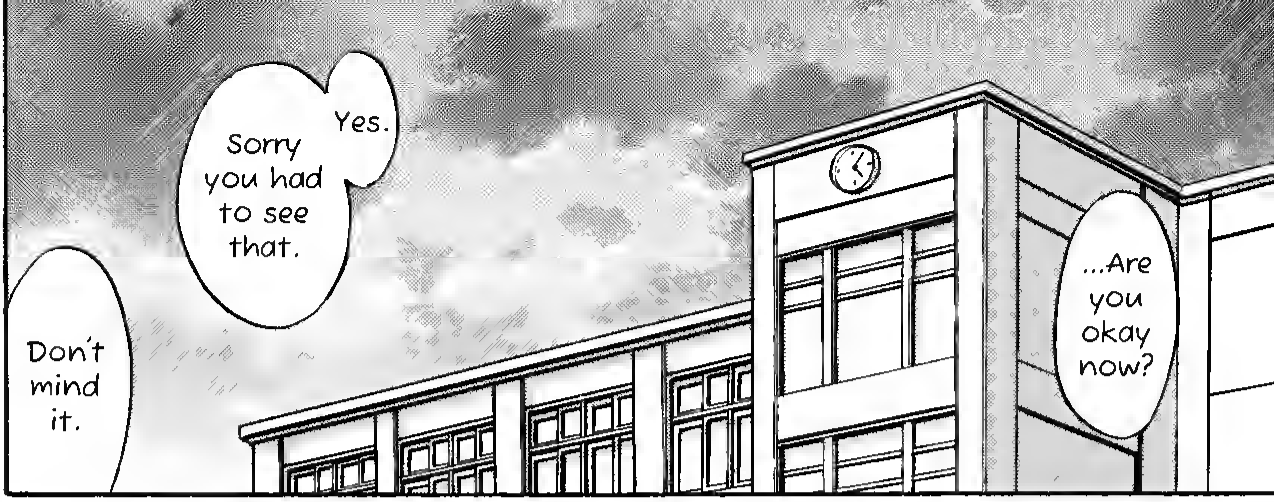
Sorry...
Behaving so selfishly.
Do you realize how hard it's been for me?



Really.
I'm sorry.

Is that really how you ask for forgiveness?

I'm really sorry
for not noticing.
Me too...
I'm sorry, too.



...Are you okay now?
Yes.
Sorry you had to see that.
Don't mind it.

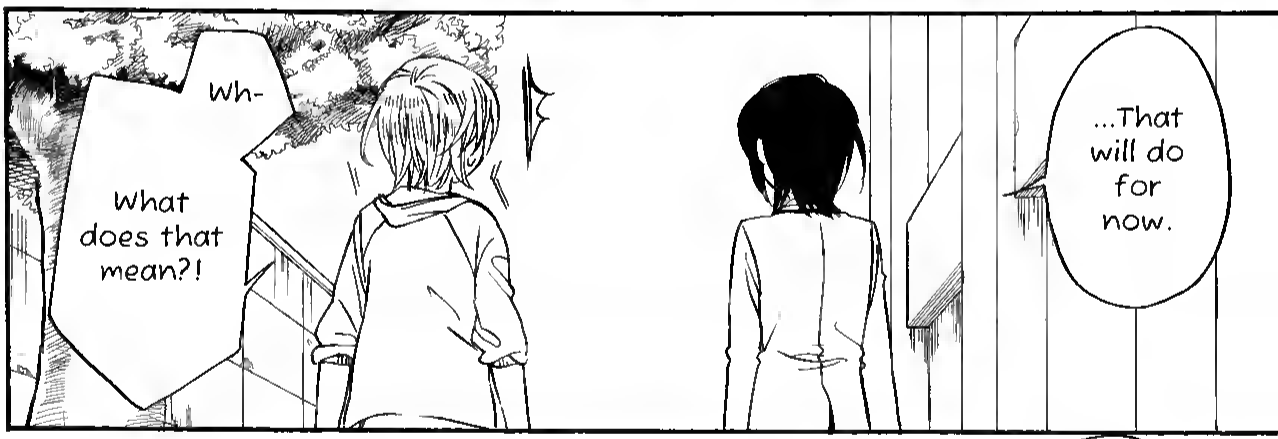
It's like,
you know,
?
making peace after a fight.

...Hehe.
what?

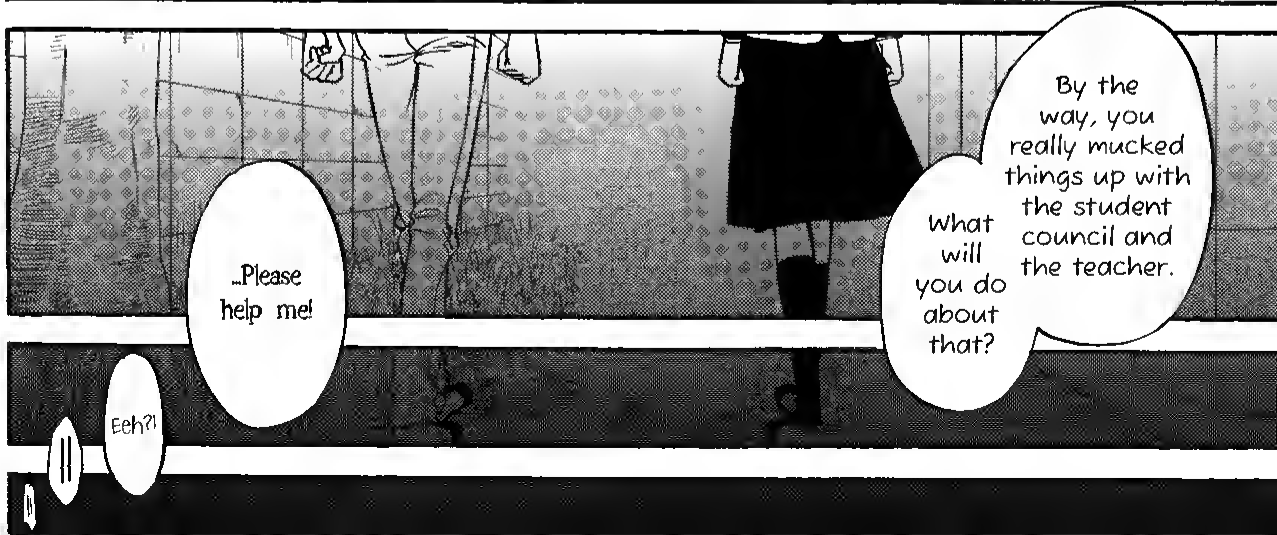
It really feels like we're friends!
Like this!

Haa...
Fool.
HUH?!
...!
EH?!
We aren't friends.
HM-HMM.
...We're a bit more.

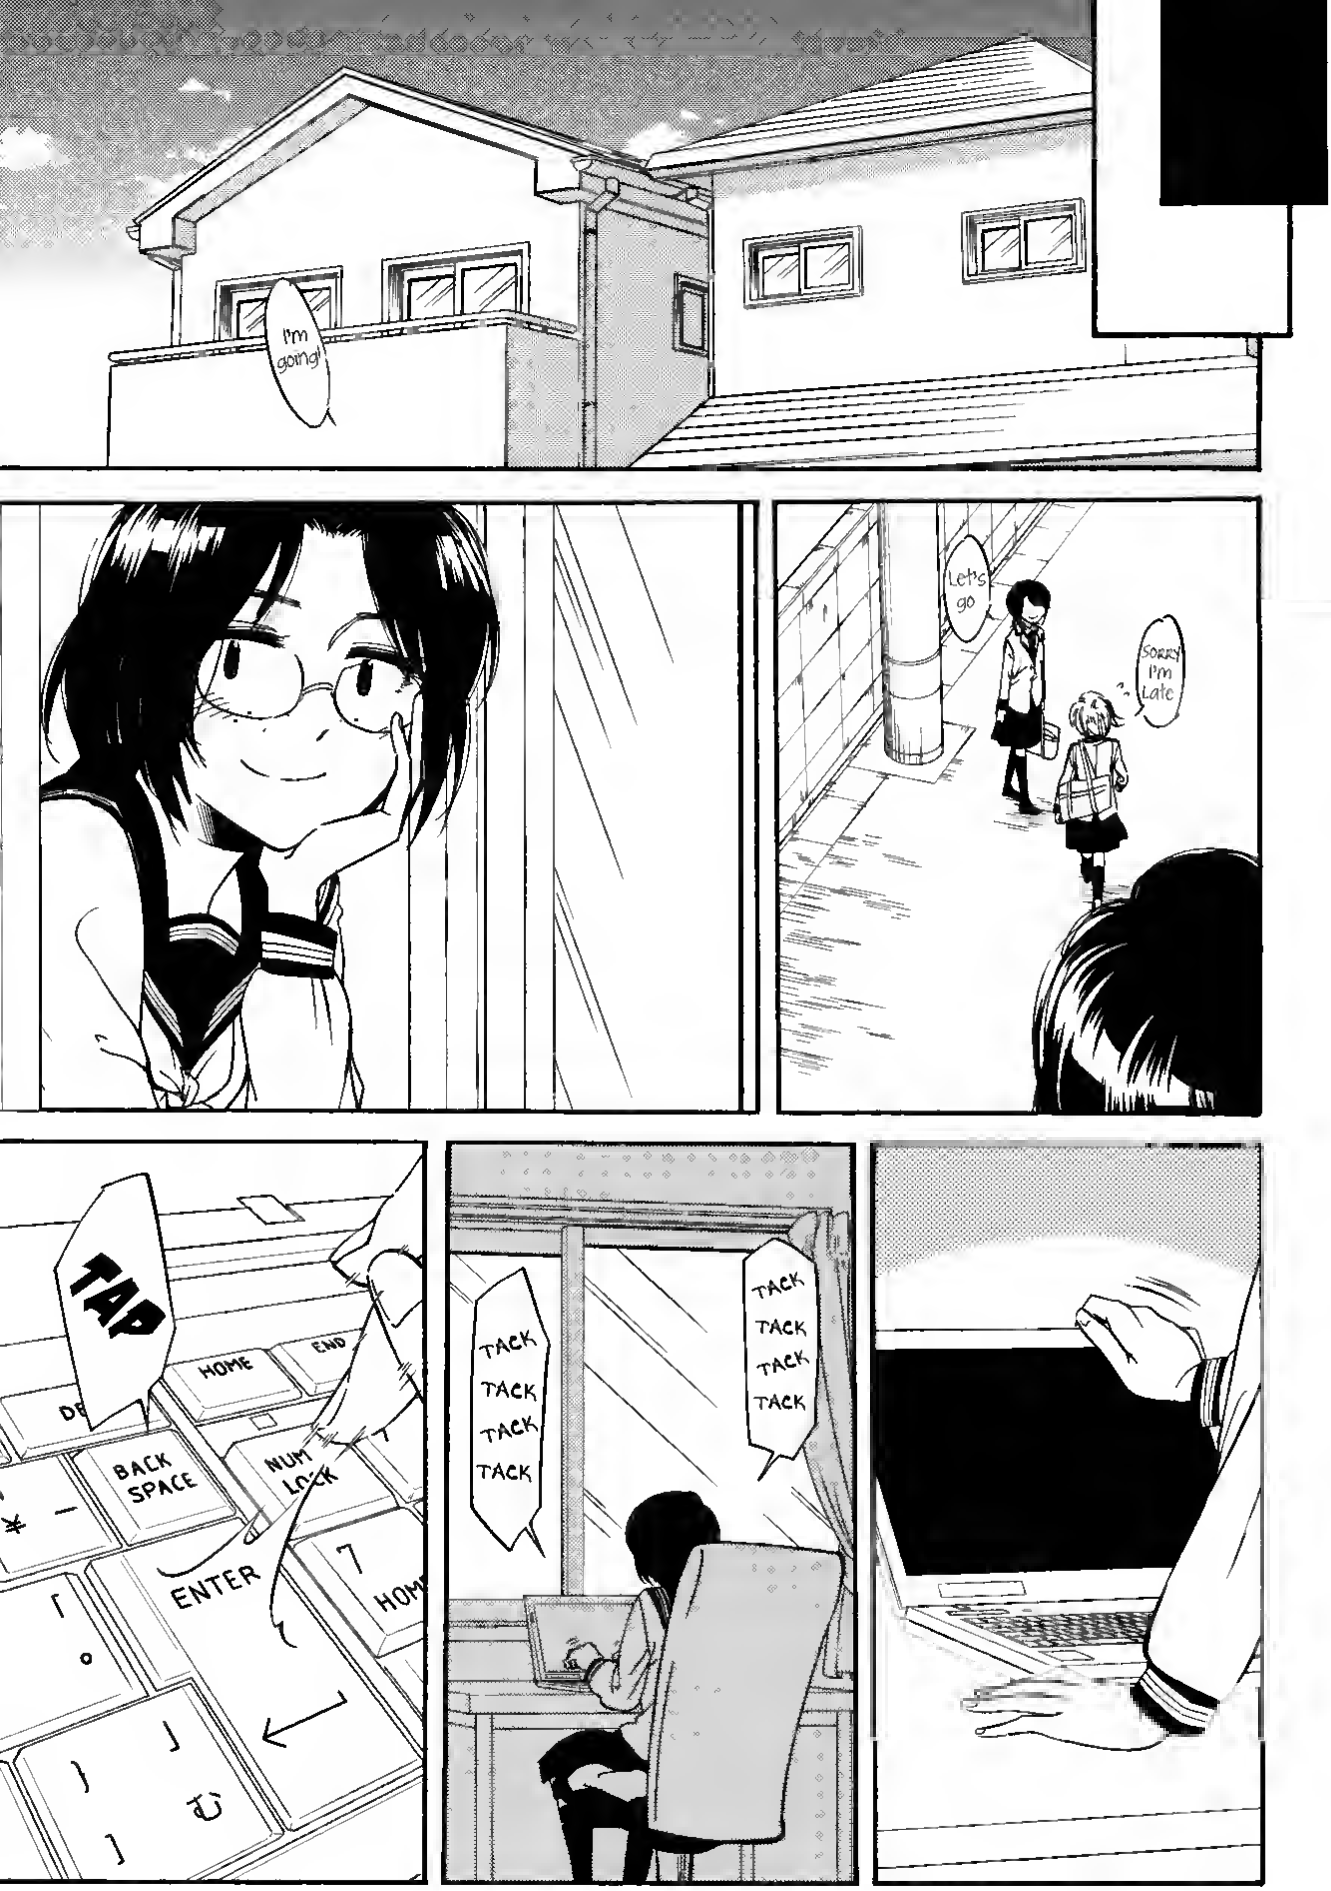
BOSOM FRIENDS, THEN?!
Kyuuuuu
...
Blush



Wh-
What does that mean?!
...That will do for now.



...Please help me!
Eeh?!
What will you do about that?
By the way, you really mucked things up with the student council and the teacher.



I'm going!
Let's go
